

# YERUN LUNCHTIME SERIES ON EARLY CAREER RESEARCHERS: Mentoring early career researchers

FRIDAY 16 JUNE  
(12H30-14H CEST)  
ONLINE

CLICK [HERE](#) TO JOIN

Mentoring can facilitate the professional development of both early career researchers and university staff. It can also become a useful instrument in the toolbox of equality, diversity and inclusion policies. Although mentoring can take place organically, concrete action may be needed to support it and foster a culture of mentoring in academia. This session reviews some of the challenges and solutions found by universities to develop and make good use of this practice.

### Featured speakers (by order of intervention)

**João Amaro de Matos**

Vice-Rector of Nova University Lisbon and Vice President of YERUN

**Oleksandr Berezko**

President of EURODOC – European Council of Doctoral Candidates and Junior Researchers

**Alison O'Regan**

Head of Learning and Development, University of Limerick

**Inma Andrés**

Student Programmes Manager & Research Advisor, Brunel University London

**Aurélie Carlier**

Tenure-Track Associate Professor, MERLN Institute, Maastricht University; Co-founder and vice-chair, FEM – Female Empowerment Maastricht University

**Francisco Valente Gonçalves**

Director, RUMO – Mental health online platform
